SB Civil Writ Petition No.10060/2006

Dr Kedar Prasad Vs State of Rajasthan & ors

19.12.2007

Hon'ble Mr Justice Ashok Parihar

Mr Rajendra Soni – for petitioner

Mr RA Katta – for respondent No 2 and 3

Mr JK Agrawal, Addl GA

BY THE COURT:

Admittedly, petitioner had not completed the requisite period of course in MD (Forensic Medicines) before seeking permission to appear in the examination held in January, 2007. As per Ordinance 278-C(6) of the University Ordinance a candidate has to complete three years course before appearing in the final examination. Under the circumstances, the relief, as sought, cannot be granted by this court under writ jurisdiction, more so, even otherwise, no interference is called for by tis court in such academic matters. The writ petition is dismissed accordingly as having no merit.
